Parish Council Remote Meetings

With current rulings relating to social distancing and the avoidance of public meetings, the Parish Council are endeavouring to hold remote meetings using Zoom. Those councillors who are able to connect via Zoom Video Conferencing (we have sufficient who have participated in the trial to achieve quorum) will attend.

Members of the public are invited to join but we are looking to have a limited amount in order to keep the remote connection stable enabling Parish Council business to be conducted. The session will be recorded, and full Minutes will be published. If a resident would like to join then please contact the clerk via email: marstonsicca@gmail.com. Any open session will be limited to 5 minutes due to the limited time available on zoom.
